Horry County 2010 Recycling Super Star Named

October 12, 2010 – Conway, SC ---- In addition to City of Conway Sanitation Superintendent, Reggie Jenerette now holds another title, Horry County 2010 Recycling Super Star.

At the October 11, 2010 City of Conway Council Meeting, the Horry County Solid Waste Authority presented Mr. Jenerette with the 2010 Recycling Super Star award for his outstanding efforts in encouraging and inspiring others to make a positive difference concerning environmental issues. Mr. Jenerette was instrumental in improving operational efficiency and effectiveness in the City's recycling program. In addition, Mr. Jenerette is always looking at ways to improve recycling services for City of Conway residents, which was evident when the City began offering to install wheels on recycling bins in order to make them easier for residents to transport.

“Reggie works diligently to ensure the City of Conway residents and businesses receive the best recycling and waste disposal service possible” according to Barbara Blain-Olds, City of Conway Assistant City Administrator. “This award is a definite reflection of his commitment to the City, its residents and the environment.”

“Over the past several years, Mr. Jenerette has successfully worked to improve the City of Conway's recycling efforts, which was reflected in a 3% increase in recycling during Fiscal Year 2010”, stated Esther Murphy, Director of Recycling for the Solid Waste Authority. “Mr. Jenerette not only promotes recycling in the City of Conway, but has also participated in various meetings and served on several committees focusing on recycling issues affecting Horry County.”

The Solid Waste Authority annually recognizes individuals for their outstanding efforts in recycling and environmental protection. For additional information, please contact the Horry County Solid Waste Authority at (843) 347-1651 or visit the website at www.SolidWasteAuthority.org.
