Grinding of the Greens

The Horry County Solid Waste Authority encourages you to take one extra step to make the holidays green and bright — recycle your natural Christmas tree after the season. Simply remove all lights, decorations (including tinsel) and the tree stand. Then, bring your tree to a designated area to be chipped and recycled into **free** landscaping mulch. The mulch will be available to all citizens while supplies last. Bring your own container to collect the mulch.

NO WREATHS, PLEASE.

City residents of **Myrtle Beach, Conway, Surfside Beach, Loris** and **Aynor** may place trees on the street curb for pick-up.
