- **Styrofoam** – This includes items such as egg cartons, packaging materials and disposable cups and plates.
- **Light Bulbs**

hazardous household waste (HHW) facility

Many hazardous products and chemicals require special handling to protect our environment. Horry County SWA has an HHW Facility – located at 1886 Hwy 90, Conway – that accepts these materials from county residents. Materials from businesses ARE NOT accepted.

Residents can drop off their HHW at the facility from 8 a.m. to 3 p.m. on the third Saturday of each month or by appointment Monday through Friday. Items accepted include acids, bases, antifreeze, batteries, brake fluid, corrosives, drain openers, flammables, fuel, furniture strippers, gasoline, household cleaners, kerosene, lighter fluid, oxidizers, paints and thinners, pesticides, photography chemicals, poisons, pool chemicals, weed killers and wood preservatives.

ACCEPTED AT HORRY COUNTY SWA'S HAZARDOUS HOUSEHOLD WASTE FACILITY:

- **Chemicals** – Keep chemicals in the original, labeled containers. Tighten lids.
- **Cleaners** – Keep household cleaners in the original, labeled containers. Tighten lids.
- **Paint** – Tightly seal lids. There is a 20-gallon per day volume limit for any type of paint brought to the facility by residents for disposal.

There is no charge for this service. Call (843) 347-1651 to make an appointment.
