

YOU KEEP THE ORNAMENTS, JUST BRING US THE TREE.

GRINDING OF THE GREENS: December 26-January 23

The Horry County Solid Waste Authority encourages you to take one extra step to make the holidays green and bright - recycle your natural Christmas tree after the season. Simply remove all lights, decorations (including tinsel) and the tree stand. Then, bring your tree to a designated area to be chipped and recycled into free landscaping mulch. The mulch will be available to all citizens while supplies last. Bring your own container to collect the mulch.

NO WREATHS, PLEASE.
