Nov 1 – 19: Plastic Bottles & Jugs

Dec 1 – 16: Aluminum & Steel Cans

Jan 1 – 21: Newspaper & Magazines

Feb 1 – 18: Plastic Bottles & Jugs

March 1 – 18: Aluminum & Steel Cans

How to Play: Place that month's recyclable in the designated "Talkin' Trash" can behind your school. Keep contamination out, which includes recyclables NOT being collected for that month, trash, cardboard, etc. Otherwise, your school may get eliminated. The more you recycle, the better your chances for the school to win!

Winning Schools: Each school is judged based on the total amount of material recycled per 4th grade student. Each month, the three winning schools will receive a Dell computer and the 4th grade students will be on television! Grand prize includes an educational field trip to Ripley's Aquarium.
