

Grinding *of the* Greens

You keep
the ornaments.

Just bring us
the tree.

No wreaths,
please!!

The Horry County Solid Waste Authority encourages you to take one extra step to make the holidays green and bright - recycle your natural Christmas tree after the season. Simply remove all lights, decorations (including tinsel) and the tree stand. Then, bring your tree to a designated area to be chipped and recycled into free landscaping mulch. The mulch will be available to all citizens while supplies last. Bring your own container to collect the mulch.
